

WorkForce Pro WF-M5399DW

DATASHEET / BROCHURE

Fast, low energy mono business printer

Take advantage of lower power consumption, low Total Cost of Ownership (TCO), a fast First Page Out Time (FPOT)¹ and features designed for easy business integration with the new WorkForce Pro WF-M5399DW. This business inkjet printer benefits from automatic duplex printing, making any job easy and efficient. Along with PDL compatibility, including PCL and PostScript 3.

Reduce your environmental impact

Through fewer consumables and supplies, it also produces less waste. With low power consumption, the overall environmental impact of printing is cut dramatically³.

Save money

The low TCO and fewer replacement parts make this a reliable and attractive choice for businesses on a budget. Low power consumption delivers much needed savings³.

High productivity, low intervention

A fast First Page Out Time (FPOT) of 4.8 seconds from ready mode and single-pass duplex scan increase productivity¹. Print up to 40,000 pages without changing supplies². A paper capacity of up to 1,830 sheets (3 x optional 500 sheet cassettes) means less time spent refilling paper. In addition, the WF-M5399DW can print on a wide range of media, including recycled paper, glossy media and envelopes.

Built for business

Perfect for small workgroups, a variety of software solutions can be integrated into your existing IT infrastructure to improve efficiency. Epson Print Admin creates a secure printing, scanning and copying environment through user-authentication. Epson Remote Services (ERS), with the device embedded agent, offers cloud-based device monitoring and management system.

Heat-Free printing technology

Epson Heat-Free Precision Core Technology requires no heat to warm up when it is switched on or awoken from sleep, which significantly reduces energy consumption. This allows Epson's Heat-Free inkjets to deliver an exceptional fast FPOT compared to laser technology www.epson.eu/heat-free

KEY FEATURES

- **More sustainable printing**
Due to fewer supplies, less wastage and lower power consumption³.
- **Save money**
Low Total Cost of Ownership (TCO) and energy saving.
- **High productivity, low intervention**
Fast FPOT, high ink yield supplies and great paper capacity¹.
- **Built for business**
Smooth system integration and security solutions with 1,830 max paper capacity.
